1075 Barclay St.
550' Tower Site |
Buildout value \$175M

SOLD

Situated in the heart of the new West End OCP - Vancouver's most diverse neighbourhood, Klein Group was retained to organize all aspects of the land assembly and owner relocation. Court process and owner disagreement can push assemblies to take two years or more. Klein Group's unique solution facilitated the process that closed in nine months.

Taylorwood Place
6 Acres |
Buildout value \$250M

SOLD

A 6.1 acre strata assembly which was mired with unique constraints: 100% assembly requirement, municipal redevelopment covenants, apathy for density, and previously failed assembly attempts. Klein Group's strategy not only decreased time to completion but created multiple offers with no subject conditions.

Burnaby Highrise Development
Capital Financing | \$550M

SOLD

A multi-tower highrise development set in the heart of Burnaby BC. The challenge was finding the right capital partner to secure a joint venture timeline. In reviewing capital options from London, India, the United States and Hong Kong - Klein Group vetted and reviewed the funding agreements to completion.

Glen Drive & Westwood St.
Rapid Transit Towers |
Buildout value \$360M

SOLD

The assembly of over one acre of land in the heart of Coquitlam Town Centre provided an opportunity to secure a potential city block once coupled with neighbouring City of Coquitlam lands to the south. As a rapid transit site, timing and assessing local political will, facilitating the sale of a noncontiguous site for maximum pricing for our clients.

Think carefully, assess the options, and then make a lasting impact.

Kevin Chiang
Commercial Real Estate & Land Investment

In short, my work is service. For many years, I've created generational wealth for others, and that's rewarding.

Με λίγα λόγια, η εργασία μου είναι υπηρεσία. Για πολλά χρόνια, έχω δημιουργήσει πλούτο για την πελατεία μου, και αυτό είναι η επιβράβευση μου.
